A BERIOUS! EXPOSÚBE.

lent opportunities ful settlement near that place, which is now only two hours away from Portland by steambort, and is soon to be in the country west of Columbia City, and be-tween that place and the famous Nebalem valley, there is much excellent land of the quality known as "alder-bottom," which can be very cheeply brought under cultivation. Much of this land has been bought from the state reit is cheap. Anyone desiring information will

be supplied free of charge by application at the postoffice at Columbia Day It is a little more postoffier at Columbia Day It is a little more difficult to open a larm in this lightly-timbered country than on the planes displayed to open a farm in this lightly-timbered country tand on the plants of Eastern Oregen or Washington, but once cleared, the land is equally productive and is available for a much more varied and conse-quently more profitable agriculture. But the

the United States in the expect of fresh meats

Russia recently shipped a cargo of fresh mutton and beef to England. If Russia can raise and ship this produce obserpty enough, she can receive the produce obserpty enough, she can certainly compote with us. She produces to the produce of the
